1. An Examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Non-elected claims 1 – 11 have been canceled. The election was made with traverse.

The following is an examiner's statement of reasons for allowance:

The prior art does not teach or suggest the recited method of forming an electroluminescence device including a thin film transistor formed by a forming a first semiconductor pattern over an insulating layer and forming an etch stop pattern over the first semiconductor layer, forming a second semiconductor pattern over the etch stop layer at one side of the etch stop layer, and forming a third semiconductor pattern over the etch stop layer at another side of the etch stop layer so that a source electrode is formed over the second semiconductor pattern, and a drain electrode is formed over the third semiconductor pattern.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
